SENIOR CLASS WILL

We, the Seniors of 1952, think that since we are leaving the halls of good old C. H. S., we should leave something with the underclassmen to remember us by.

Nancy Haas leaves everything but her job at Gaughn's Corners—that she is keeping.

Carolyn Gano leaves her squeaky clarinet to Jimmy Dorsey.

Marilyn Nolan leaves her short dark hair and smallness to Dagmar.

Charlotte Oesch leaves her soulful brown eyes to Earl Hicks.

Janet Harrold leaves her easy-going ways to Gladys Cleveland.

Carol Poulton leaves her long walk from school to Harold Busby.

JoAnn Bevington leaves her ability to stand up boys without getting caught to Elna Tingle.

Dick Thomas leaves his melodious giggle to Santa Claus.

Jeanette Spanabel leaves her soft feminine voice to Mr. Bailey.

Louise Roesti leaves her position as head majorette to Isabelle Snyder.

Linda Fisher leaves her ability to be in the office without being sent there to Willard Jessop.

Ed Miller leaves his intelligence for scientific things to Captain Video.

Gary Sayers leaves his ability to get sick at 8:45 and get better at 3:35 to Joe Reeves.

Janet and Janice Magill leave their companionship to anyone who gets lonesome.

Paul Alley leaves his pretty, wavy red hair to Royden Walker.

Eddie Burkey leaves his steady job at the City Market to David Jessop.

Lois Glenn leaves her natural curly hair to Lila Bowers.

Mary DeLauter leaves her unopened chemistry book to Mr. Barton.

Bobbie Fisher leaves her ability to work late at night and still get average grades to Billy Fisher.

Mary Ellen Poulton leaves her H_2O_2 to Nancy Verdier.

Joan Zimmerman leaves her quiet ways to Pat Huk.

Jane Zimmerman leaves her ability to get on the National Honor Society as a Junior to anyone who is capable.

Jack Stephens leaves———period.

Chuck Ramsey leaves his job at the Sohio Station to anyone who can find a girl across the street to keep his morale up.

Bruce Miller leaves his size to Leon Ross.

Bob Corey leaves his ponies to anyone who gets a **kick** out of things.

Cabby Brungard leaves her sophisticated ways to Laura Coughlin.

Norma Burbick leaves her chewing gum at school so she won't have any little "gum drops."

Rhoda Stevens leaves her love for roller skating to anyone who wants black and blue knees.

Peggy Harrold leaves her friendly disposition to Jane Holmes.

Shirley Munce leaves the patch on her neck to anyone who likes gauze and adhesive tape.

Donna Way leaves her short name to Donnie Oberhaltzer.

Bill Foertch leaves his selling ability to next year's Juniors.

Mary Lou McCaughtry leaves her ability to go with the same boy all through high school to Barbara Biery.

Milton Powers leaves his shyness to Gene Newsome.

Who's Who IN 1962!

It is the year 1962. Most people have made a success of their lives, but we find two wanderers—Peggy Harrold and Mary DeLauter. They have been touring the continent selling pencils in order to finish college. They have been at it for the past 10 years so you can see, they're determined to get their diplomas. While on their tour, they saw many of their classmates.

Chuck Ramsey is coaching at Franklin Square. His team, the Ramsey Rockettes, played the Corey Clipperettes from Mingo Junction—both teams being all girls.

Paul Alley owns a gigantic greenhouse in Florida where he raises orchids. He ships them to all parts of the world in a refrigerated helicopter.

"Mickey" Powers now has his own gas station where he sells his own brand of gasoline—Milton's Motor Magic.

Mary Ellen Poulton and "Cabby" Brungard own a shop in New York City. They specialize in sailor suits for the small fry.

Jack Stephens is chief butcher at the A & P Store at the stock yards in Chicago. Working under him are Jane Zimmerman, who is handy-maid at the cash register, and Carolyn Gano, who is just plain maid. She sweeps out the store every night at 6 o'clock.

Donna Way has her own private office in the Canton Hospital. On her door is her motto—"This Way for Health."

Dick Thomas is manager of the N. Y. Yankees. Because of his sense of humor, he is the only manager never to fight with the umpires.

Ed Miller, who was voted "the most likely to succeed", is now janitor at his old alma mater, C.H.S.

Charlotte Oesch is a world famous F.B.I. lady. She is on a secret mission in Russia. She is trying to get Stalin's autograph.

Instead of being an undertaker, Bill Foertch has done just the opposite. He has undertaken the job of keeping people alive—he's president of Mutual Life Insurance Company.

Gary Sayers is a movie star. He is setting the fashions for the men of the world with his royal blue trousers and pink shirt.

Joan Zimmerman is an old maid at 27. She has a cat menagerie. She now has taught her 62 Angora cats to bring in the mail. Dogs have nothing on them! !

Instead of specializing in shoes, Lois Glenn has gone to the other extreme. She specializes in women's hats. The sensible kind!

Nancy Haas has become a millionaire. After graduation she discovered a coal mine under her house.

Following graduation Norma Burbick became

office secretary, succeeding Mrs. Bender. She became so skilled in her work that she took over Mr. Richmond's job as Superintendent of Schools.

Janet Harrold has become our most successful career girl. She has a career of 6 children. She is teaching them to take over her old job at Heck's.

Janet and Janice Magill are touring Europe with the Metropolitan Opera Company. Janice sings while Janet accompanies her on the piano. They have appeared twice before the royal family.

Ed Burkey is still delivering groceries for the City Market. But now he has his own Cadillac and chauffeur to drive him from door to door.

Mary Lou McCaughtry is the nation's first lady—plumber, that is! It seems her father's uniform was so cute and went so well with her hair that she decided to go into the business.

Marilyn Nolan always had a soft spot for the canine species, so now she is proprietor of a kennel for orphan dogs. She has all kinds, and she loves 'em all!

Jeanette Spanabel and Carol Poulton have just finished nurses' training. Carol has been sent to Africa to care for a sick lion, and Jeanette has been sent to Massillon—to work in the hospital!

Rhoda Stevens has become a professional roller skater. She owns her own rink—"Rhoda's Roller Rendezvous." It has unbreakable glass floors.

Shirley Munce has gone to Alaska. She's selling electric blankets to the Eskimos. At present she is living in a three room igloo with her dog team.

Linda Fisher is editor of the **New York Times**. One of her ace reporters is her father. It seems that her father, who in the beginning taught her "the ropes", is now taking a back seat to our career girl.

Louise Roesti is head majorette for the United Nation's Band composed of 2,000 members. Her high school experience proved very valuable.

Jo Anne Bevington has now gone red head. She is head cheerleader for the Redhead Basketball Team. In the near future she will begin playing.

Bruce Miller is making speeches to high school students all over the U. S. on "How to Apply Yourself in School."

Bobbie Fisher is head "jerk" at Well's—soda, of course. She specializes in atomic sundaes. (1 quart of ice cream.)

Our travel over the country has proved very interesting. We sold many pencils and are looking forward to graduating in the near future. Want to buy a pencil?

HI-Y OFFICERS

HI-Y

With Mr. Vogeli as our adviser we had a very active year. In December we toured Mt. Union College. Other activities included dances and selling salt-water taffy for Hi-Y jackets.

TORCH CLUB

During this year under our adviser, Mr. Robinson, we had many activities—a dinner at Heck's Restaurant, participated in 4-club functions, and had movies at some of our meetings.

Sr. TRI-HI-Y

The Sr. Tri-Hi-Y was under the sponsorship of Mrs. Jean Snow and Mrs. Shirley Grim. They had many activities some of which were a style show in October, and a Mother-Daughter Banquet in November. To make money to send two delegates to camp, we sold Christmas cards. With all these activities we had a successful year.

Jr. TRI-HI-Y

The Jr. Tri-Hi-Y was sponsored this year by Miss Lois Dixey. Included in the activities were panel discussions on Christian Ways and Boy-Girl Relationships. The club sponsored a dance in November and we sold football programs during football season to make money for camp delegates. Thus we have had a very interesting year.

CHORUS

The Glee Club performed this year under the able direction of Mrs. Jean Balph Snow. Along with Christmas caroling in the halls, much time was spent on the operetta "The Great Mikado," which was presented to the public March 28th.

BAND

The band this year under the direction of W. Gwynne Jenkins has improved in all ways. They performed at all the football games throughout the season with snappy marches and clever formations. They entertained the midwest farmers at Firestone Farms, September 28th. In April they gave their annual Spring Concert.

SENIOR PLAY

The Senior Class presented their play entitled "Mr Barry's Etchings" April 18, 1952.

FOOTBALL

Jack Stephens, Co-captain
Although very small, Jack played at halfback position. What he lacked in size was made up in determination. His position will be hard to fill next year.

Chuck Ramsey, Co-captain
Chuck, playing his second year of varsity, played at a half back position on offense and a defense line backer. Chuck's position will be one very hard to fill next year.

Bob Corey
Bob, playing center on offense and tackle on defense, played both of his positions very well, especially at counteracting plays before getting to the line of scrimmage. He will be hard to replace next year.

Gary Sayers
Gary, playing at tackle position, played a lot of ball on both defense and offense. His position will be hard to fill.

Bruce Miller
Bruce, playing his third year of varsity football proved capable in breaking up many plays during the season. His position will prove a hard one to fill next year.

Managers
Bill Foertch, Harland Leonard, John Patchen, Dick Thomas.

Ray Souder
Ray's ability as a downfield backer was exceptional. He should be one of the mainstays next year.

Fred Forney
Fred, small but shifty, was a consistent ground gainer and a constant threat to the opposing teams. Fred will be one to look out for next year.

LETTER MEN

Larry Bailey

Larry's speed and ability to get into position to snag passes will be of great value to next year's team.

Larry McVay

Larry suffered injuries at the beginning of the season but came back strong at the end of the season. He will be back next year.

Fred Koch

Fred, playing guard, filled his position very well. With another year to play he should be an outstanding player.

Don McBride

Don's calling signals for two years gave him much needed experience. Don will be back next year to use his experience to a greater extent.

Field Managers

Wilbur Beck
Milton Powers

Don Oberholtzer

Don, playing hard defensive ball and also a little offensive, did his job well. With three years left he should really be in the lime-light.

John Case

Although John is only a sophomore, he played quite a bit of ball. In the next two years, he should prove to be outstanding.

Hubert Keylor

Hubert displayed tackling and blocking skill. C.H.S. will be glad to have him back for two more years.

Jim Welker

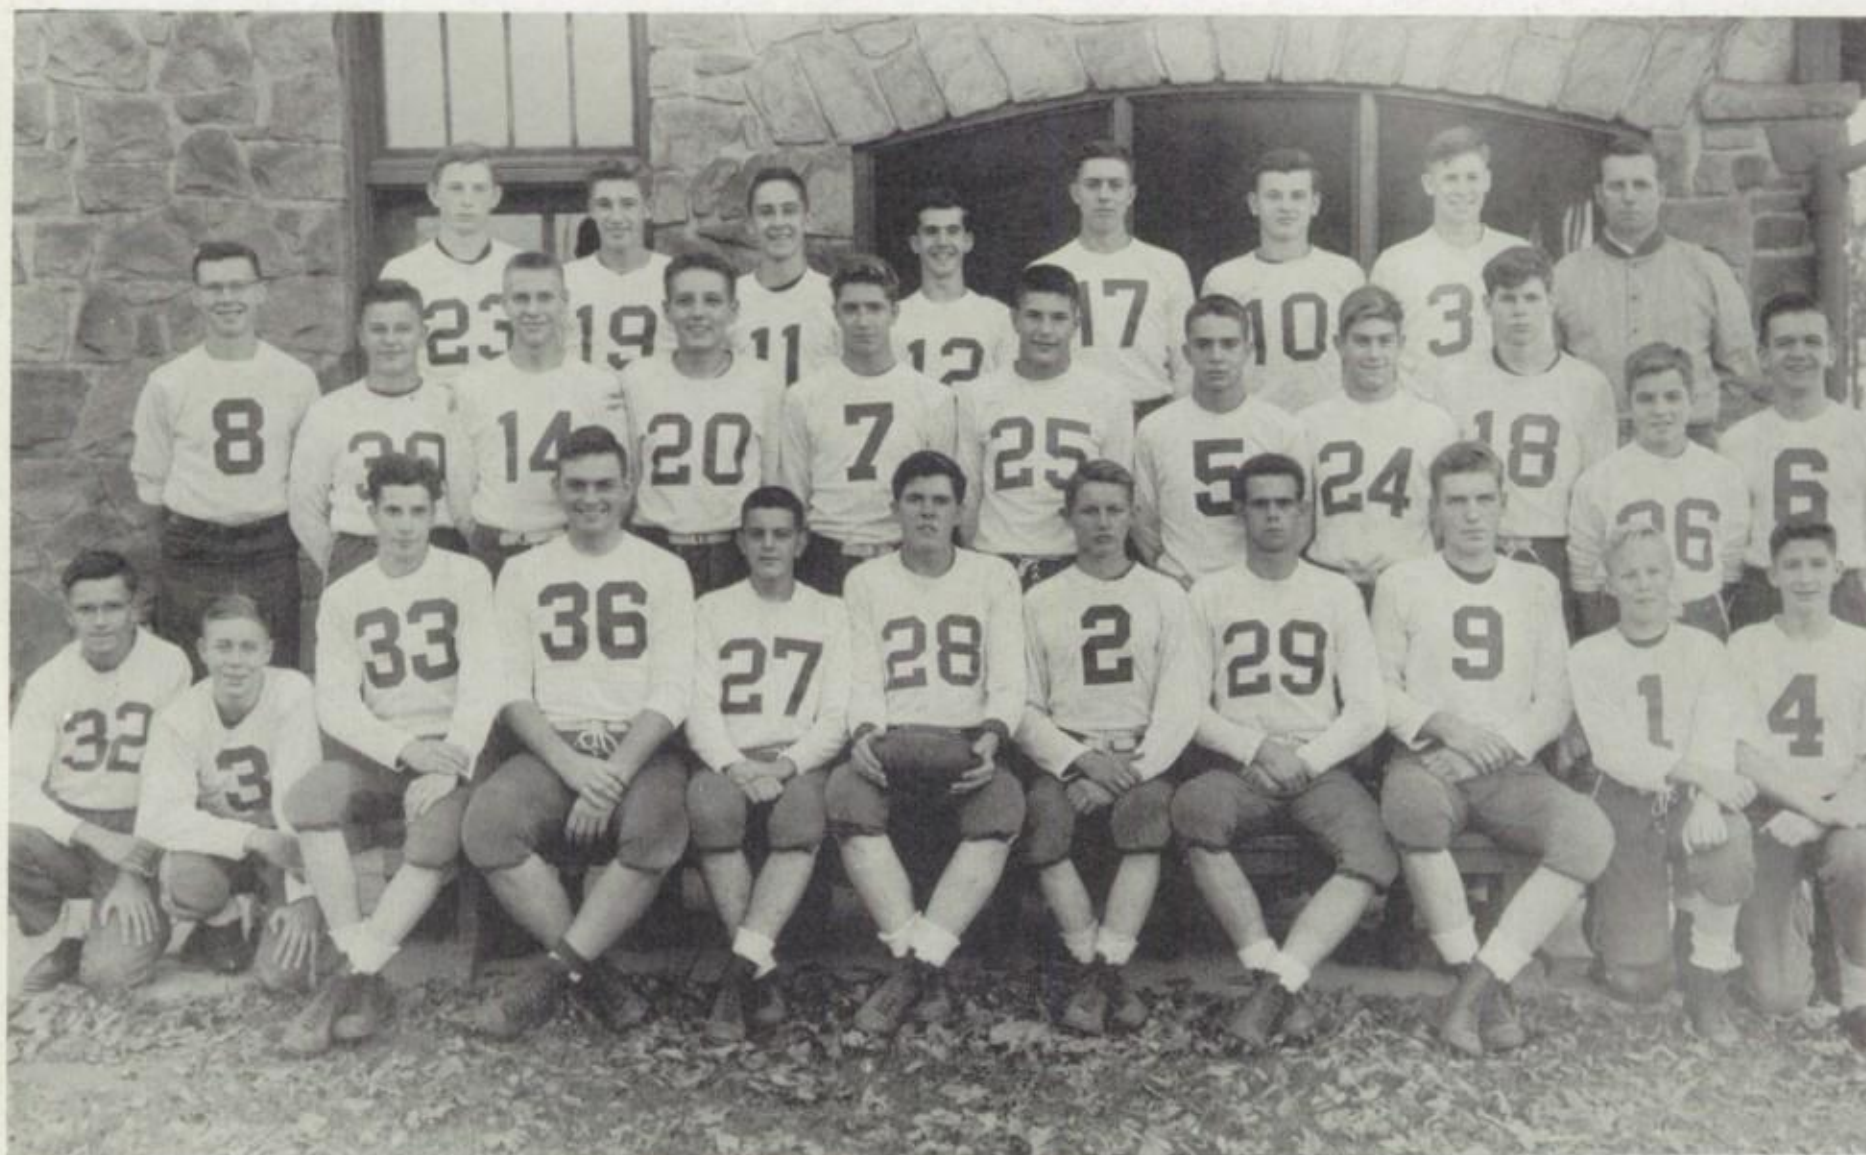

Jim, playing his first year in actual competition, proved capable of holding down his position. Jim has one more year in which he will prove very useful to the team.

Matt Powers

Playing his first season of varsity ball, Matt did his job well until hampered with injuries. He will be well appreciated on next year's team.

FOOTBALL

The Clippers opened the football season this year with a trip to Poland. The teams were evenly matched and as a result the game ended in a scoreless deadlock. Our first home game with McDonald found the Clippers beaten 20 to 0. Both teams fought a good battle but the Clippers failed to score.

The Clippers won their first game against North Lima. The visitors held a 7 to 0 lead at the end of the first quarter, but the Clippers came back and defeated North Lima 31 to 7. Playing host to Springfield, the Clippers played one of the best games of the season, defeating Springfield 45 to 0.

The next game at Leetonia was a hard fought battle throughout the game. This game proved to be the most exciting of the season, with the Clippers edging Leetonia 12 to 7.

In the game with Canfield, the Clippers were defeated 16 to 0. The Clippers fought a tough battle all through the game but were unable to score. Our next game with Lowellville proved successful for the Clippers. We defeated the Rockets 27 to 6 and won our fourth game of the season.

In the game with Lisbon, the Clippers played a tough game on a snow-covered field. The Clippers led 7 to 6 at the half but Lisbon came back and defeated us 27 to 6. The Clippers traveled to East Palestine for the last game of the season. The Bulldogs led throughout the game. The Clippers made a fighting attempt in the last quarter by scoring two touchdowns, but were defeated by the Bulldogs 44 to 12.

FOOTBALL HOMECOMING

ABOVE, left to right: Louise Roesti, Peggy Harrold and Carol Poulton.

The homecoming for the football season of 1951-52 was held on the night of the Lisbon game, November 2, 1951. The student body elected Miss Peggy Harrold queen and Misses Louise Roesti and Carol Poulton her attendants.

Ed Miller, master of ceremonies, introduced the queen after which she was crowned by John Paul Alley. Immediately after the game, Miss Harrold reigned over the Homecoming Dance.

BASKETBALL HOMECOMING

ABOVE, left to right: Jeanette Spanable, Mary Lou McCaughtry, and Carolyn Gano.

The student body held an election of the Senior girls to determine the queen for the 1952 Basketball Homecoming. Mary Lou McCaughtry was elected queen and her two attendants were Carolyn Gano and Jeanette

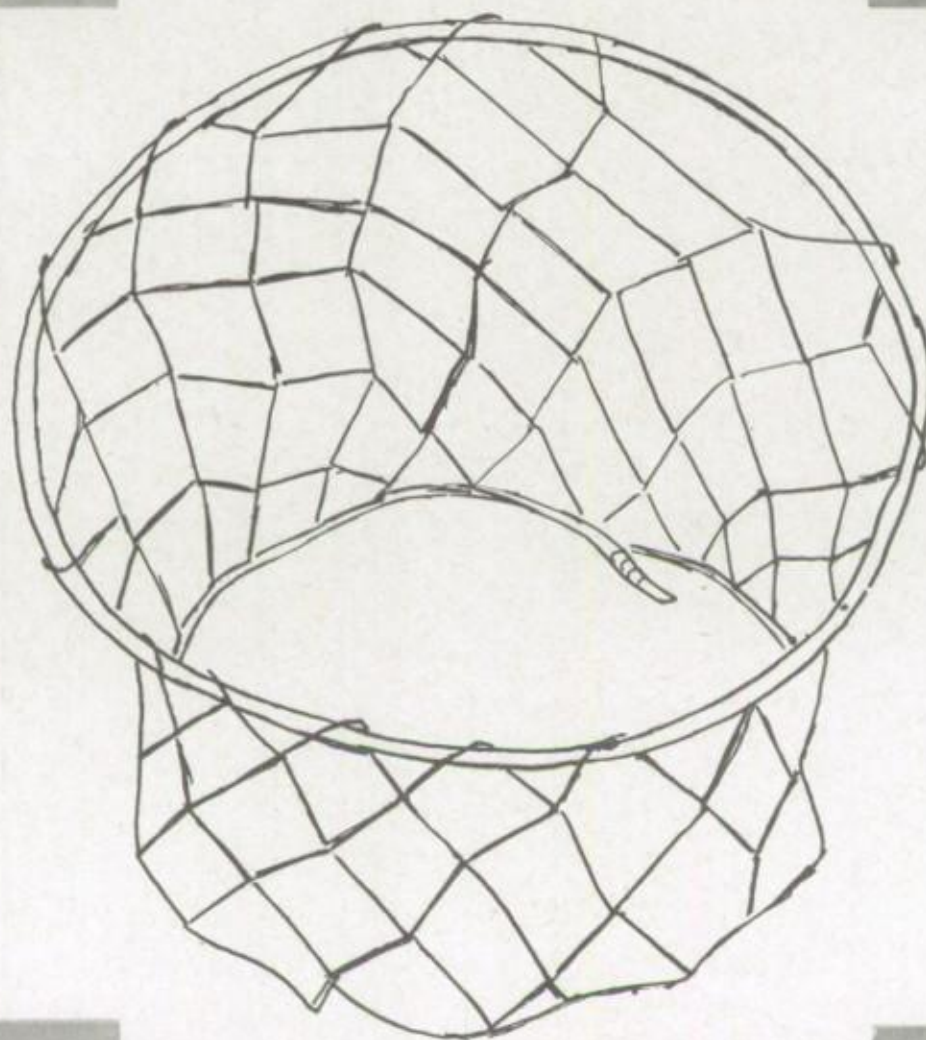

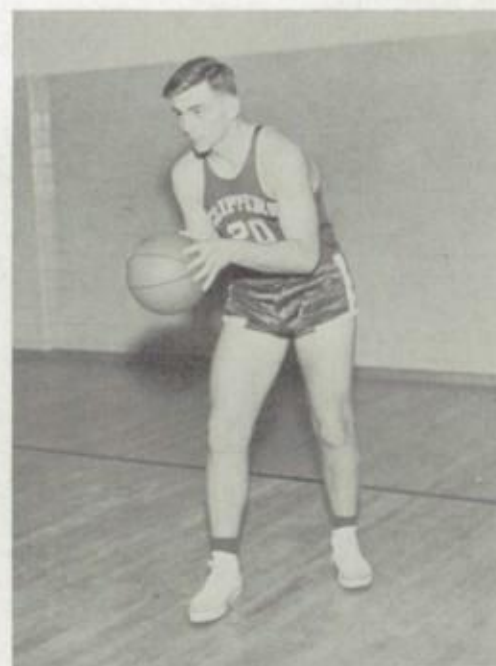

Spanable. The queen reigned over the Columbian-Youngstown North basketball game Feb. 22. Gary Sayers, master of ceremonies, introduced the queen, after which she was crowned by Bob Corey of the Clipper squad.

VARSITY

Jack Stephens—Jack, being a high-scoring threat throughout the year, owed much of his success to his speed and ability to steal the ball. Jack will be very hard to replace next year.

Bruce Miller—Playing his second year of varsity ball, Bruce proved to be one of the mainstays of the team. His rebounding and scoring ability will be hard to replace next year.

Chuck Ramsey—Chuck, playing his second year of varsity ball, proved himself a very good scorer and also a top defensive player. Chuck leaves a position which will be very hard to fill next year.

Mick Powers—Mick started the season out with a bang and never let up till it was all over. His good set shot and great driving ability paved his way to success.

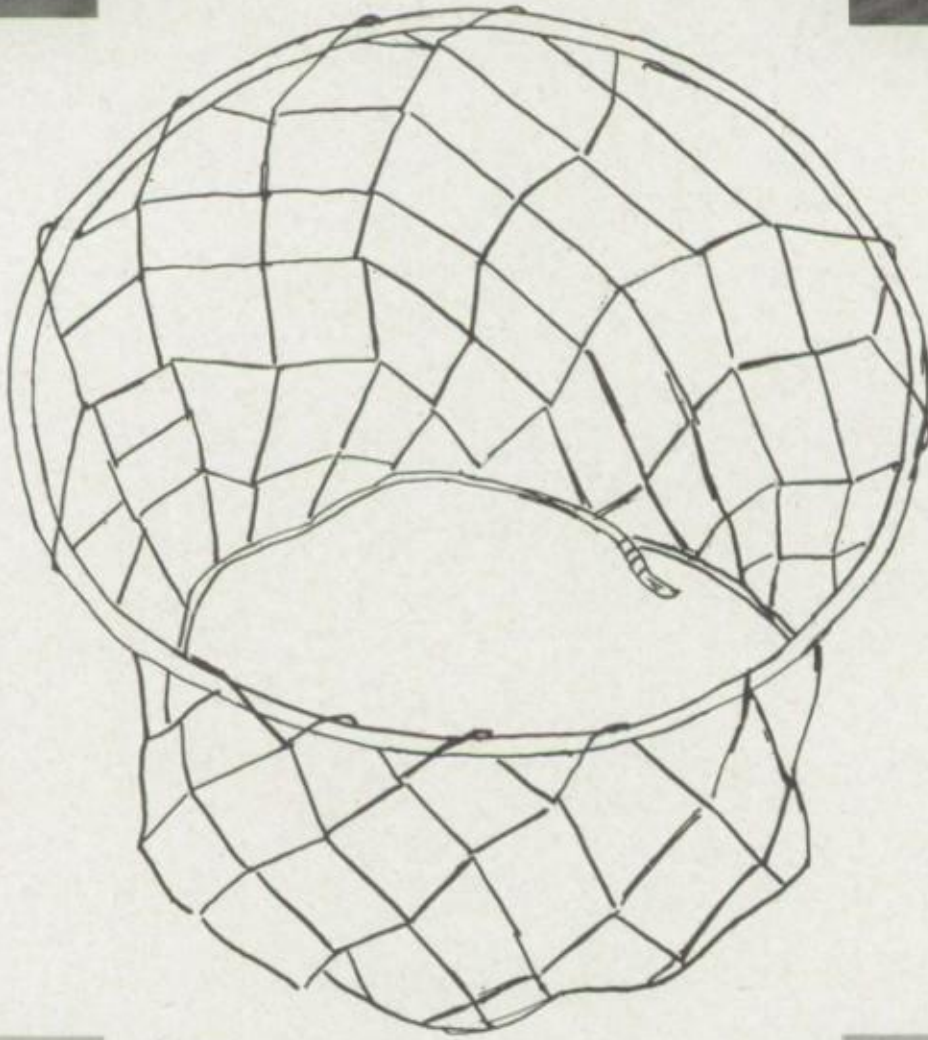

BASKETBALL

Dick Thomas—Being small, Dick made up for it with his aggressiveness. Also having a very accurate one-handed shot, Dick proved very helpful to Coach Pyle's squad.

Bob Corey—Bob, playing his first year of varsity competition, did his job well when called on for duty. Doing most of his work on the boards, Bob proved a vital part of the Clipper success.

Don McBride—Don was one of the top scorers of the team. His accurate shots and defensive ability were great assets to the team. With one more year, Don will be one of the best.

Earl Hicks—Earl, playing his first year of varsity ball, was called on when the going got tough. He was dead on his long shots and will be a great mainstay on next year's team.

VARSITY BASKETBALL

For the 51-52 season, the new coach Homer Pyle had a big bunch of boys out for basketball from which to pick his team. With seven lettermen back, with much experience, the outlook was very good toward the oncoming season.

The team finished out the regular season with a very impressive record of 15 victories

and 5 defeats. The scoring was made up as follows: McBride 265, Stephens 260, Ramsey 189, Mick Powers 176, Miller 133. The subs scored as follows Thomas 51, Hicks 39, Gilchrist 27, Corey 24, Patchen 6, Koch 6, McVay 4, and Mat Powers 2. The Clippers scored 1164 points to their opponents 937.

Congratulations, Class of 1952!

If yours were the choice of naming the date in history when you would most like to live, we're betting you'd choose tomorrow, with all of its challenge and promise! And so would we—because history never knew a more interesting era! Wondering what waits to be discovered just outside the classroom door? Well, we're pretty sure that the degree in which your dreams will all come true depends almost completely upon YOUR own determination! First, you'd better BUILD your ladder to the stars . . . and then, with all the faith and hope and trust that true success requires . . . climb o the very top! And our best wishes will go with you all the way!

To Our Young Friends

Youth faces the ever-changing problems of the years that are before them. The greatest weapon they can possess to meet successfully those problems is a cultured mind, a pure heart, a body physically strong, a desire to work and a determination to practice thrift. Any cause which aims to that end is a most worthy cause and those who labor to accomplish that purpose should receive the commendation of every person who is worthy of citizenship.

Keep your face to the sunshine and the shadows will fall behind.

CAUTION—Ever bear in mind, education is a foundation for success, only when applied with an unselfish spirit of determination to do the worthwhile things of life.

To the Class of 1952—In all sincerity we hope you will have the courage to face your problems as you pass along the highway of life, and happiness and success be always with you.
